

## Our Story

## Term 4, Week 1, 2024

## Newsletter Issue #29 Week: 14th-18th October 2024

Kia ora e te whanau, kumusta, ayubowan,

It's Term 4, daylight saving is here, which means warmer days and longer daylight hours. Please remember we wear sunhats every day throughout Term 4, when outside. All students are expected to wear school uniform sun hats.

### Ki o Rahi

Our Year 7&8 students headed to Otautau to compete in the first Western Southland ki o rahi tournament. Based on the Purakau (legend) of Rahitutakahina and the rescue of his wife Tiarakurapakewai. The game is a traditional Maori game that utilises all students and their strengths. Not only is it fun to play, it is exciting to watch. We are growing the game with our Year 5&6 students learning this too. Thanks to parent help transporting and managing teams and to Sally for her organisation. We also give a BIG THANK YOU to Active Southland for their support in learning ki o rahi.

### **HVP Pet Day**

Monday 21st October - rain, hail or shine we are on! This year we have made a few changes to the structure of our pet day. It is being held on a Monday, instead of our usual Friday. The Monday works better for us, as we have several commitments on Friday's this Term. To start our Pet Day we are completing some Highland Game activities including Haggis Hurl, Caber Toss, Tug o War from 9.00 am-10.00 am. This means our students can come to school as per usual (NB: if this works for you and your family) and then our Pet and Craft Judging will take place from 10.30am. It would be best to come from 10.00am-10.15am to set up crafts and pets ready for judging. To follow we have a BBQ for all thanks to the Home and School Team 12.00pm-1.00pm. Certificate presentations follow and then you are welcome to take your child/ren home or they can remain and catch the bus.

#### Touch

This starts Monday 21st October. Good Luck to all teams and thank you to all managers and coaches for your support so we can have 6 teams entered in the Western Southland module.

### 2025 AgriKids NZ.

Registrations for the Otago/Southland event open on Monday 21st October. If you would like your child to be part of this exciting opportunity register a team of 3.

### Science Roadshow

Our Year 4&5 learners head to the Science Roadshow at SBHS next Wednesday with Mr Pierson. They are looking forward to engaging in a variety of hands-on Science with this National Showcase.

### **Hump Ridge Camp**

We have timetabled two more walks for our Year 7&8 trampers in preparation for the Hump Ridge Track on 4th-6th November. There is also the option of walking on Wednesday evenings each week, see Sally for further information. We invite all parents of Year 7&8 students to attend a camp meeting next week - Thursday from 2.30pm. This will cover all you need to know and also provide time for Q and A if needed.

Please advise if your child/ren are leaving HVP to end 2024. We are currently working on classes for 2025 and this helps us to formulate our combinations.

Congratulations to Miss Slee, who has secured a teaching position in Canterbury from 2025. Although we are sad to see Anna go, we are thrilled to have been part of her beginning journey into teaching. We know she will continue to do amazing things for the learners in her care and they are lucky to have her as their kāiako/teacher.

Ngā manaakitanga, on behalf of the Hauroko Valley Primary School team Julia Waikato, Principal/Tumuaki

## It only takes two hands to save a life.

On Wednesday 16th of October - Save Your Teddy Day - we saved all of our teddy bears! What a fantastic opportunity to learn from Hato Hone/St John's Educator Alan, how to complete basic CPR because it only takes two hands to save a life!

Our children practiced making an emergency call by dialling 111, asking for the ambulance and then providing their address. Knowing their address helps immensely, so this is something that can be reinforced at home and school. They learnt to check first if they are okay before starting CPR. This involved using their knuckle to tap on the shoulder. Then our Year 0-4 learners pressed on their teddies chest with straight arms while leaning over the chest on their knees. The song "Baby Shark" was used to guide the rhythm of the CPR movement, which was fun to do! Thanks to Alan for sharing his knowledge and joining us for Save Your Teddy Day, we learned lots!
