Our Story

**Week: 10th - 14th June 2024**

## **HVP HAPPENINGS**

Kumusta, ayubowan, kia ora e te whanau,

### **Southland Cross Country**

We wished Good Luck to the following students who headed to the third and final round of cross country, the Southland Primary School Cross Country Championships, at Waimumu today. There were several gutsy performances as students had a challenging terrain and so many runners in their races. The results will be shared next week.

10 years - Cohen, Connor, Georgia, Layla

11 years - Flynn, Angus, Dusty, Carter, Lola, Ilyssa

12 years - Boe

13 years - Jake, James, Sam, Libby, Sienna, Lucy

### **School Bus**

Hauroko Valley Primary utilises Go Bus and South Bus services for many of our children for transportation to and from school. There are various roles involved in this contract including Ministry (Government), Contractors Bus Company, and School (Bus Controller). Stops are decided by the Ministry in conjunction with the TSP or Transport Service Provider. This is based on those students who meet the requirements to travel, generally, this is students living within the designated route.

Currently, 3/4 of our bus runs including Lillburn, Blackmount, and Orawia are full when all students attend. This means, there aren't spare seats available for additional students to "catch a bus", other than those on the designated route. South Bus has asked that no additional students travel on buses, other than those students eligible.

### **Cybersafety with John Parsons**

On 19th June we have John Parsons visiting to work with each class, with staff at a staff meeting and also he is available to present to parents. Rotary Southland ensures this is available to all schools, at no cost.

He is New Zealand's leading Cyber Safety Expert, so we are extremely grateful to Rotary Southland for supporting this speaker. Each time I hear John, I learn something new, to help keep children safe online. Not only does John provide practical tips, but he also provides coverage of the issues our children face as digital citizens in New Zealand today. Most of the decision-making in and around Technology for our children is in our hands, so your attendance at his meeting would be of benefit to you and your family.

Please come listen to John, and ask questions to support you and your family to keep your child/ren safe online. From 3.00 pm-4.00 pm, children are welcome to remain at school with supervision.

Have a great weekend and good luck to those children that have Winter Sports or other activities.

On behalf of Hauroko Valley Primary School Staff  
Julia Waikato  
Principal/Tumuaki

# TOTARA

## Our Super PALS

Totara students' have grasped the opportunity to be a 'PAL' for 2024. They are demonstrating some great role modelling around the school!

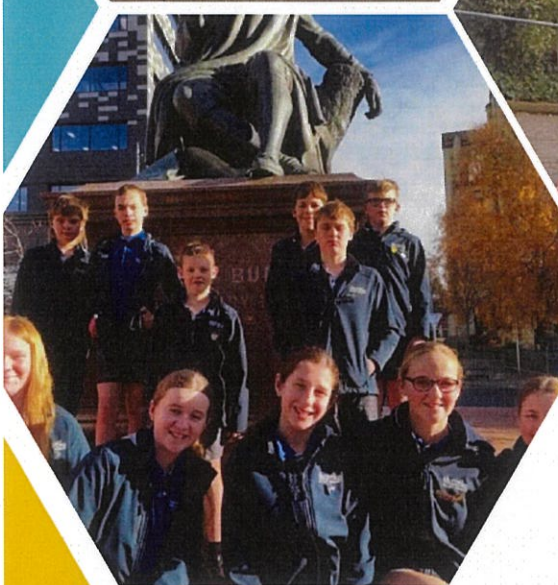

## In Class Happenings

Totara students' are making great progress in fractions at the moment, understanding the concept of adding fractions with different denominators. Our maths warm up the other day was finding how many sheep on average were shorn per minute during our local 2005 shearing world record! Totara are demonstrating excellent progress in reading, expressing their IDEAL spelling strategies through our authentic texts.

## Cross Country

In Tōtara we all so proud of our efforts in cross country. Our training paid off and we ran our hearts out! Congratulations to all those runners who made it through to Western and Southland, you can do it!

**Year 8's In Dunedin!**

**Day One:**  
 We explored the early history of Dunedin at Toitu Museum and the Chinese Gardens. We puffed up the world's steepest street and splashed around at Moana Pool. Then we finished our day with tasty pizza and a game of Moose on the Loose.

**Day Two:**  
 We were off to NYLD to listen to many inspiring speakers.

**Some key points were:**  
 Have positive self talk  
 Take small steps  
 Have a vision  
 Step out side your comfort zone  
 Anyone can make a difference

# SNAP SHOT IN TIME

I heard the tiny twigs snag below me as I ran through the thick bush. I felt my legs letting go underneath me coming up to the finish line. I saw the grass disappearing from under me as it turned into thick brown mud. I wondered if I would make it to the finish as my legs slowly let go. I felt my legs burning like a fiery furnace, burning my legs to crisps. I heard the kids cheer as I made it to the almost golden finish line. I saw the last of the runners, red as tomatoes, coming up behind me.

By Sam

I felt my legs lift off the ground as I was charging forward. I felt a rush of excitement as my legs lifted off the ground. I saw the stones get smaller, as I got taller.

I wondered if the rope was going to snap when I was so high up. I saw my life flashing before my eyes, as 8 kids pull me up. I saw sirens flashing violently in the wind as they sped by.

I saw the rope slowly being let go as I made my descent. I felt my legs touch the ground and felt my body collapse to the ground with a great rush of excitement.

Fergal

I heard the crowd eagerly hold their breath, wondering if they would make this goal.

I saw our team, the Steel, try to regain the netball.

I felt curious, wondering if we would catch up, nervous, thinking about the score, and excited, visualizing the results.

I wondered what excitement the quarter-time break would bring this time.

I felt my sweaty palms hold up the goal sign for the 15th time.

I smelt hot chips and sugary doughnuts as the delicious smell wafted up to my nose.

I heard squeaky shoes sprinting up and down the court leaping for the ball.

I tasted my cold fizzy drink, shocking my taste buds and bringing more life into my cheer.

I saw the wild pink and blue crowd roaring with passion for their teams. I wondered how the standings would change after this thrilling game.

By Paetyn

I heard my tired and desperate breath as I spotted the finish line nearly upon me, only 200 metres away. I felt tired but oddly calm as I had found my rhythm and was really starting to enjoy it. I heard the loud cheers, yells, and words of encouragement as they forced me into a sprint. I tasted the weird, gooey saliva at the back of my throat. I saw the finish line which was now only around the bend. I think "only 10 more steps!" I think of how well I've done. I felt my final step hit the ground as I slowed to a walk. I felt my tired and lethargic legs ache as I slowly walked to Mum and Poppa. I put my hand to my chest- it felt like there were bombs going off. I think to myself, what a good job I'm done! I beam at myself proudly as Mum and Poppa congratulated me.

Libby

I heard the creaking of the ship as it swayed in the waves.

I saw the guns as if they had been there for decades.

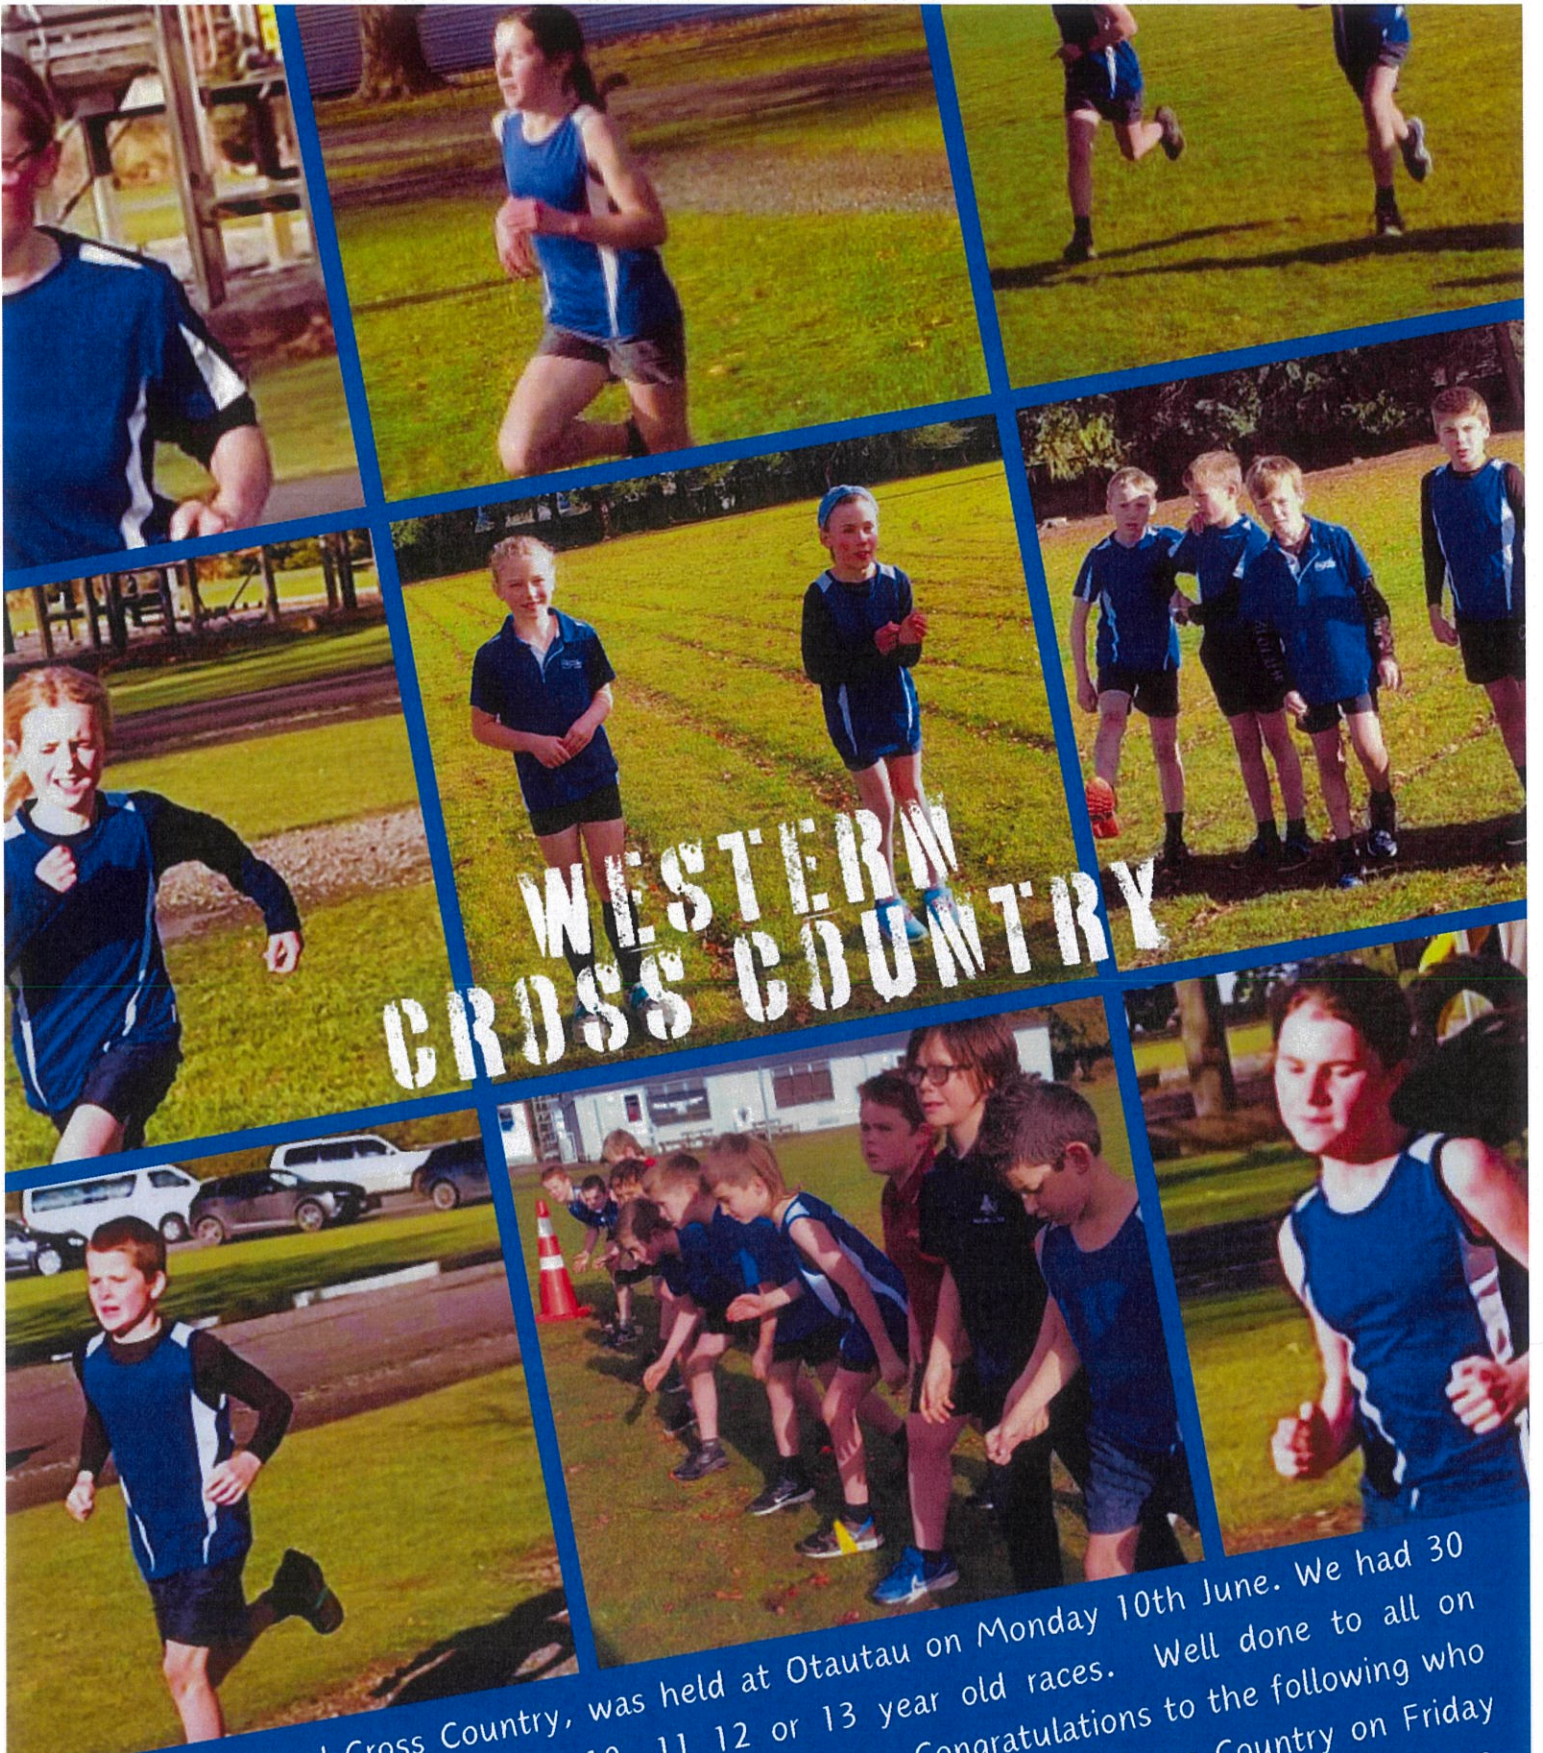

I felt the ship fighting to stay afloat.

I knew this beast had lived through the impossible.

From the bottom of the ship to the top it all had a story to tell.

I felt excited like never before.

Axel

# WESTERN CROSS COUNTRY

Western Southland Cross Country, was held at Otautau on Monday 10th June. We had 30 representatives competing in the 10, 11 12 or 13 year old races. We had 30 completing long distance running over a varied terrain. Well done to all on 14th June 2024. 10 years – Cohen, Connor, Georgia, and Layla. 11 years – Flynn, Angus, Dusty, Finley, Carter, Lola and Ilyssa. 12 years – Boe. 13 years – Jake, James, Sam, Tomas, Libby, Sienna and Lucy.
