The support from local and Southland-wide families, businesses and organisations were phenomenal - thank you all!

Matai's little Garden

Matai were lucky enough to receive a New World's Little Garden box thanks to School Kit. Last week we went about planting our vegetables and are watering them regularly while we wait for them to grow!

1. First we had to pass a test demonstrating we know how to plant a seed.

2. Then we had to wet our soil so it would grow.

3. Then we carefully planted the seeds. Now we wait for our seeds to grow!

Thanks School Kit!

Terrific Team
